Radnor Hills Sparkling Spring Water 24x330ml Cans

Short Product Name:
Carbonated Spring Water

Radnor Hills 330ml Sparkling Spring Water Can. The source of our water lies in the old county of Radnorshire in mid-Wales. In this very under populated area, the water is able to filter naturally through layers of rock to achieve its exceptional taste and purity. As you enjoy our products you will be consuming one of the natural wonders of Wales. At Radnor Hills we are very aware of our environmental responsibilities. This includes our commitment to minimise our packaging requirements and work towards a system that recycles our bottles and packaging. We are working with all stakeholders to create a cleaner, greener future. We are proud to say all our bottles are 100% recyclable, our cans are infinitely recyclable and sourced only 65 miles from our farm and our tetra range is straw free and made from FSC sustainable paperboard. Our site is a proud 'zero to landfill site.'
